

7. Brief resume of key persons, specialists, and individual consultants anticipated for this project.

BILL JONES
QUALITY CONTROL INSPECTOR
REPORT WRITER

Project Assignment: Quality Control Inspector; AutoCAD Operator

Education: 2 years college; AutoCAD – Level 1

Years Experience With This Firm: 2 **With Other Firms: 37**

BASIS OF TEAM SELECTION

- Quality Control Roof Inspector / Report Writer

Mr. Jones comes to us from a manufacturing / quality control work environment, having completed 37 years of work in this sector. During his previous employment, he served as Quality Control Department head and he was instrumental in the planning and successful implementation of the ISO 9000 quality management system. He has a well rounded knowledge of safety in the work environment, having served many years on a Plant Safety Committee.

Mr. Jones has recently participated in full-time Quality Control Roof Inspections for various roofing projects in the State of Virginia. He serves a role in generating client reports and in developing AutoCAD drawings. We propose Mr. Jones as a full-time quality control roof inspector / report writer for this project.
