

7. Brief resume of key persons, specialists, and individual consultants anticipated for this project.

**JOHNATHAN GRANT**  
**AUTOCAD OPERATOR**  
**ASSISTANT FIELD**  
**INSPECTOR**

**Project Assignment:** Assistant performing Non-Destructive Infrared & Nuclear Moisture Surveys and Visual roof condition Evaluations, Assistant AutoCAD Operator

**Education:** Lee Davis High School

**Years Experience With This Firm: 1**                      **With Other Firms: 0**

***BASIS OF TEAM SELECTION***

- Assistant performing Non-destructive Roof Moisture Testing and Visual Condition Evaluations. Will also assist with field evaluations for roof replacement design projects.

Mr. Grant is new in the roofing industry. He graduated high school in 2003 and worked for a short time in the restaurant business. He has worked with RCS for over 1 year and has assisted with several projects including infrared roof moisture surveys, nuclear roof moisture surveys, visual condition evaluations and field evaluations for roof replacement design projects.

We have valued Mr. Grants work ethics since joining our firm and feel that he will become a valuable addition to our staff.

**PROJECTS EXPERIENCE INCLUDES:**

**Visual Condition Evaluations and Non-Destructive Roof Moisture Surveys**

- Kempsville Church of Christ, Newport News, VA
- PCC Building, Schenectady, NY
- Cobb Lumber, Richmond, VA
- HO Penn Machinery, 4 Facilities, NY & CT
- Fannie Mae, 7 Facilities, Washington, DC
- Dupont Elementary School, Hopewell, VA

- East Towne Plaza, Richmond, VA
- Louisa County Public Schools, 8 Facilities, Louisa, VA

- Icelandic USA Corporation, Cambridge, MD
- Swarovski, Cranston, RI
- Henrico Theatre, Henrico County, VA
- Saint Pauls Catholic Church, Colonial Heights, VA

**Drafting Assistance for Roof Condition Evaluations and/or Roof Replacement Design Projects**

Since Mr. Grant started working with our firm, he has learned the basics of using AutoCAD and has shown initiative to continue to learn the program by asking numerous questions and showing interest in attending AutoCAD classes at one of the local community college.

Mr. Grant has assisted our cad department with the following projects by developing foot print layouts and adding roof penetrations into the roof plans. He also has learned how to calculate roof area square footage and add dimensions to drawings.
